About This Game

A 15-year-old girl named Airi somehow walked into another world.
In this fantasy world she, and her school mate Luca, were going to have a great adventure.

- + A casual JRPG
- + Turn-based battle system. No random encounter.
- + A colourful fantasy world with original art and music
- + Familiar faces?
- + Multiple ends
- + Outfits, classes, recepies and fishing!
- + Another story will unlock after finishing Airi's Quest, probably.

...What happens next?

This game is developed by RabbitonBooks, a solo indie developer.
The demo contains the first two chapters. You will meet the 4 playable characters, visit the city and a forest, have many side quests and a boss fight.
